

HL-L6200DW

brother
at your side

Made for your enterprise.
Built for performance.

Every business needs a reliable business partner. The new mono laser series helps you maximise print efficiency and minimise costs so you can make the most of your investment.

HL-L6200DW

Built to meet the challenges of your business

Discover how Brother mono laser printer can bring your performance to the next level.

Built for Productivity

Keep productivity at its maximum with **high print speed of up to 50ppm¹**. What's more, the **wireless and Gigabit Ethernet connectivity** allows easy sharing of printer within the workgroup.

Focus on your high volume print jobs and spend less time reloading paper with the default paper tray of up to 520 sheets capacity, 50 sheets multi-purpose tray, plus optional upgrades of two additional paper trays, bringing the **total paper capacity up to 1,610 sheets**.

Trays capacity may vary with paper types

Built for Reliability

Print as much as you need with a robust and dependable machine that has a **monthly print cycle of up to 100,000 pages**

Built for Savings

Minimise printing costs with **12,000² pages super high-yield toner**. Choose from different toner settings to increase your savings per printout.

Simplify business operations and safeguard your documents

Easily manage your Brother network-connected products from one central location using **BRAdmin Professional Software**.

This network management tool allows **remote configurations**, **monitoring of useful information** such as page count, toner and drum status. With the option of setting print quota of each user, you can better **control printing cost**. Instant **notification of printer downtime** also lets you attend to the problem before it impacts productivity. What's more, this software features a **suite of security solutions** to assure you of your documents' confidentiality.

Secure Function Lock 3.0 gives greater control over group or individual usage by limiting printer functions.

Internet Protocol Security (IPSec) encrypts print jobs from the user's computer to the printer.

Print Archive saves a PDF copy of every print job for easy E-Documentation.

Secure Reset removes stored data when reverting the machine to its original settings.

Flexible workflow solutions customised for your business

The **Brother Special Solutions Customisation (SSC)** enables Brother products to be modified depending on your needs. Through careful collaboration, we help you design the best solution that meets specific business challenges.
