Made for your enterprise.
Built for performance.

Every business needs a reliable business partner. The new mono laser series helps you maximise print efficiency and minimise costs so you can make the most of your investment.

MFC-L5900DW

Built to meet the challenges of your business

Discover how Brother Multi-Function Centre can bring your performance to the next level.

Built for Productivity

Keep productivity at its maximum with **high print speed of up to 40ppm**[1] and **2-sided scan speed of up to 56ipm**[2]. What's more, the **wireless and Gigabit Ethernet connectivity** allows easy sharing of printer within the workgroup.

Focus on your high volume print jobs and spend less time reloading paper with the default paper tray of up to 250 sheets capacity, 50 sheets multi-purpose tray, plus optional upgrades of two additional paper trays, bringing the **total paper capacity up to 1,340 sheets**.

70 sheets Dual CIS Automatic Document Feeder

3.7" TFT Colour LCD and user-friendly control panel

USB Direct Print

50 sheets multi-purpose tray for thick media / odd sizes

250 sheets default paper tray

Paper level indicator

Optional paper trays at **520 sheets** per tray

Trays capacity may vary with paper types

Simplify business operations and safeguard your documents

Easily manage your Brother network-connected products from one central location using **BRAdmin Professional Software**. This network management tool allows **remote configurations**, **monitoring of useful information** such as page count, toner and drum status. With the option of setting print quota of each user, you can better **control printing cost**. Instant **notification of printer downtime** also lets you attend to the problem before it impacts productivity. What's more, this software features a **suite of security solutions** to assure you of your documents' confidentiality.

Secure Function Lock 3.0
gives greater control over group or individual usage by limiting printer functions.

Internet Protocol Security (IPSec)
encrypts print jobs from the user's computer to the printer.

Print Archive
saves a PDF copy of every print job for easy E-Documentation.

Secure Reset
removes stored data when reverting the machine to its original settings.

Active Directory
enables easy central management of user login authentication in an organisation.

Flexible workflow solutions customised for your business

- The **Brother Special Solutions Customisation (SSC)** enables Brother products to be modified depending on your needs. Through careful collaboration, we help you design the best solution that meets specific business challenges.
- The **Brother Solutions Interface (BSI)** is a web-based service platform that lets software developers easily create customised solutions.
